SOUTH CAMBRIDGESHIRE DISTRICT COUNCIL
ENVIRONMENTAL SERVICES
REFUSE COLLECTION AND DISPOSAL

Unauthorised Tipping

Regrettably a small number of vandals are dumping rubbish in the County's beauty spots, yet this Council offers a free collection of bulky household rubbish.

The regular dustcarts can cope with such items as fridges, washing machines, televisions, etc., if put out for normal collection. Please put out only one item at a time, otherwise the normal refuse collection would be severely disrupted. Should the item not be cleared, please contact the Cleansing Superintendent at the number below.

We cannot cope with garden refuse, nor builders refuse, and trade refuse is only taken on pre-payment of the Council's charges.

Refuse Disposal

The County Council has special facilities at its various tips to receive bulky household and other refuse, at the following locations :-

GODMANCHESTER	B LUNTISHAM	THRILOW	HADDENHAM
Cow Lane	Heath Road	A. 505	Station Road

MILTON - Junction A. 10/A. 45 Northern Bypass

HOURS OF OPENING : Monday to Friday 8 am to 4 pm
Saturday and Sunday 9 am to 12 noon
Closed Bank Holidays

Refuse Sacks

Towards the end of this year you will find that the refuse sacks have a stronger (and cheaper) method of sealing the base, by using what is called a "Star" weld. These bags will also have on the Council's name and the request not to put broken glass in the bags. On first sight it seems that the bottom seam of the bag has stuck together, but it will fit in your dustbin in the normal way.

Safety of Dustmen

Several of our refuse collectors have been seriously injured by broken glass put into refuse sacks which has cut their legs very deeply. Broken glass and other dangerous refuse will be taken provided it is put in a separate box and clearly identifiable to the dustmen. It should not be put into the refuse bag.

In case of problems please contact Mr. M. Warmbold at Oakington Depot on Histon 2669.

VILLAGE APPRAISAL

"There isn't anything for the teenagers" is a common theme from the comments we have received over the last few months. Well, there are quite a few people who are working very hard to provide things for the teenagers but we do all want to have your new ideas - especially from teenagers themselves and their parents. We therefore hope to see you and hear your ideas and comments on this subject at a meeting on Thursday 27th September 1984 at 8.00 pm in the Farmhouse. We will also have some time for any general comments and ideas and we still welcome any more constructive comments about the village and its future, preferably in writing to Peter Blackman, 34 Acorn Avenue (CH 80384) or Christine Avery, 23 Foxhollow (CH 81233).

.....

BAR HILL RESIDENTS ASSOCIATION

The next meeting will be in the school on Monday September 10th at 8 pm.

Bar Hill News :

First the apologies -

Last month we experienced problems with the printing which were logistic rather than technical in nature. This resulted in the publications date being delayed while we waited for adverts. We eventually decided that we could wait no longer, and published a newsletter without them. Advertisers will, of course, still have their material published in the contracted number of issues.

This month the holiday season has hit us, and I expect this issue to be about a week later than normal. We hope to be back to normal for the October issue.

Now for the appeals -

From the end of this year, I shall no longer be editing this magazine. If anyone could take on this responsibility I shall be happy to talk to them and explain what is involved.

We also require one or two volunteers to help with the printing. No experience is necessary, and the experience gained may prove useful to anyone hoping to be employed in a related field. We use stencil duplicators and an Offset Litho process. Contact Martin Avery (81233) or Ron Pink (80233).

BAR HILL

EKINS have had a long association with BAR HILL and to maintain our service we appoint an experienced sales negotiator to have sole responsibility for the village.

PAUL KINALLY is our specialist - call him on Crafts Hill 81543 or Cambridge 65931.

PAUL will be pleased to call at any time to discuss your property and advise you without obligation what price it should bring in today's market. (If you have already instructed a firm of agents to act on your behalf, we can only accept instructions from that agent).

There is a buyer for every type of property and it is our business to not only find that buyer but to get the highest possible price.

The way to sell your property in the shortest possible time, at the best price, is to put it before the largest number of buyers. This we can do.

We have seven major offices throughout Cambridgeshire and Bedfordshire and over 140 staff working to sell your property.

Important Notice - through our own Mortgage Department we can get your purchaser a mortgage.

Free wine will start the evening off and a chance will be given to seek the advice of various wool manufacturers after the Fashion Show.

As you see we have a very varied opening programme for the year and I do hope that there will be something there for you. You may have noticed elsewhere in the Newsletter that the W.I. are having an opening meeting at the school on Tuesday 11th September and I am sure that any ladies who are interested will be made very welcome.

As you may have read in last months newsletter, Mr. Williams our Community Tutor has left and I have been appointed to fill the role I have been connected with the Community Education side of the school for the last nine years and I look forward to carrying out this appointment to the very best of my ability. I shall be available during the school day to answer any queries and between 7.00pm and 8.00pm every Tuesday during school term for those who are unable to reach me during the day. If these times are inconvenient to you please ring me on C.H. 80332 during school hours when we can make a mutually convenient appointment. The Education Department do not see my role ending at the school door and neither do I and I hope to see many of you at various other 'happenings' within the village. That is if I get invited!

I look forward to coming back into school this term and finding my way barred by a mass of Barhillians - and people from surrounding villages all trying to get through the front door of the school to join in the activities.

N.H.R. BOOK GROUP

Next meeting 26th September, 8.00pm at 42 Oatlands Avenue. We are currently reading Bronte novels. It is not necessary to belong to the main NHR group in order to attend Book Group meetings. At the meetings we discuss primarily the book or books we have all been reading, and then also any other books we have read, members of the group often pass on library books or lend books they have enjoyed. We also talk about TV programmes we have found interesting and occasionally hire, watch and discuss a video film. If you enjoy reading why not come to the next meeting. It does not matter if you haven't read our "current Book", we would be pleased to see you anyway.

BAR HILL HORTICULTURAL AND GARDEN SOCIETY

First the results of the Garden Competition:-

- 1st - 150 Pheasant Rise
- 2nd - 10 Hollytrees
- 3rd - 80 Hollytrees

I do not have the results yet for the best window box but will publish it next month. Congratulations to all winners and thank-you to all those who entered - although entries were a bit thin the standard was as high as usual. My apologies to anyone who was on last years short list and was missed this year - this was due to an oversight on our part.

We still have high hopes that the Parish Council will succeed in rotorvating some new allotment plots to help first time renters - perhaps when they read this it will spur them to action.

Finally, Finally, - don't forget all you potential plot holders you can still rent your plot now and get 2 months free. A plentiful supply of manure is available and the shop still opens every Sunday 11.30 - 12.30.

At the start of a new term let me first welcome our new supervisor Priscilla Rham to playgroup and wish her good luck and hope that she enjoys working with us.

You may remember that we had a market stall in July, thankyou to all the mums who donated cakes, they all looked delicious and were soon sold. Also thankyou to the committee members who made all the sandwiches and rolls. The profit from this was £75.

On Saturday October 6th we are having an ICE RINK for the day in the village hall. We hope this will be well attended and a great success. Boots will be provided because of course it will be a synthetic surface and special blades are needed. Please keep an eye open for posters around the village for further details.
